FEEDBACK PROCESS

The institution is dedicated to achieving excellence in education. To enhance curriculum development and enrichment, the institutions gather feedback from internal stakeholder such as faculty, student and alumni.

The Institute gives great importance on curriculum feedback and actively collects input from stakeholder, including student and faculty, through offline as well as online manner. The institute acknowledges the significance of this feedback and its potential to drive growth and improvement. External feedback from alumni and employers is critical in establishing networking opportunity for students and connecting them with notable industry leaders. Additionally it provides a valuable means of evaluating the strength and weakness of the institution. Employee feedback is necessary in maintaining the integrity of the teaching and learning process, encouragement confidence and commitment toward a positive approach.

Feedback Committee

The institution has set up an organized committee to manage the feedback process responsible for documenting and analyzing all feedback. The internal quality Assurance cell (IQAC) leads the way in ensuring academic excellence and monitoring feedback activities. The Director, IQAC Head, Head of department and faculty member are all involve in conducting the survey. Our institutional advisory bodies compile the data collected by our team of expert, who play an essential role in collecting and recording feedback from stockholders.
