Department of Electrical & Electronics Engineering

Mission

- To provide the students globally accepted technical education in electrical and electronics engineering for making them technically skilled and motivated professionals in order to comply the needs of Society and modern Industries.
- To provide research-oriented atmosphere among the students so that they imply their thoughts and knowledge in implementing live industrial projects.
- Emphasis on creation of excellence in applications through knowledge sharing, value addition programmes, beyond syllabus programmes, industry-academia interaction, interdisciplinary research and personality development programmes.
- To encourage faculties and students for higher studies and research for knowledge enhancement and become successful professionals in the society.

Vision

Vision of Electrical and Electronics Engineering Department is to produce a dynamic, creative, technically sound and globally competitive engineer that can face the challenges of modern industry and serve the society at a global level.

Department of Civil Engineering

Mission

- To offer Under-Graduate and Post-Graduate programs in Civil Engineering with moral and ethical values along with skill development courses to add value to student competencies.
- To provide quality education through Centre of Excellence in research and consulting with emerging technologies to industry and societal problems.
- To impart knowledge and activities to students with emphasis in developing the leadership qualities and teamwork.

Vision

To become a school of excellence that brings out civil engineers with high technical competencies and promotes high- end research to meet the current and future challenges in civil engineering
